

Building Capacity to Improve Pharmaceutical and Medical Commodity Management in Humanitarian and Disaster Settings

Since 2018, this series of projects has supported international and local nongovernmental organizations that work with USAID, enabling them to better manage pharmaceutical and medical commodities in humanitarian crisis settings. The projects are funded by USAID's Bureau for Humanitarian Assistance and managed by JSI Research & Training Institute, Inc.

HOW WE STRENGTHEN BHA PARTNERS

BHA PARTNER ORGANIZATIONS PARTICIPATING IN THE PROJECT

- ADRA
- Alight
