- ❖ RISE Pilot Project- A Glimpse

RISE Core Elements

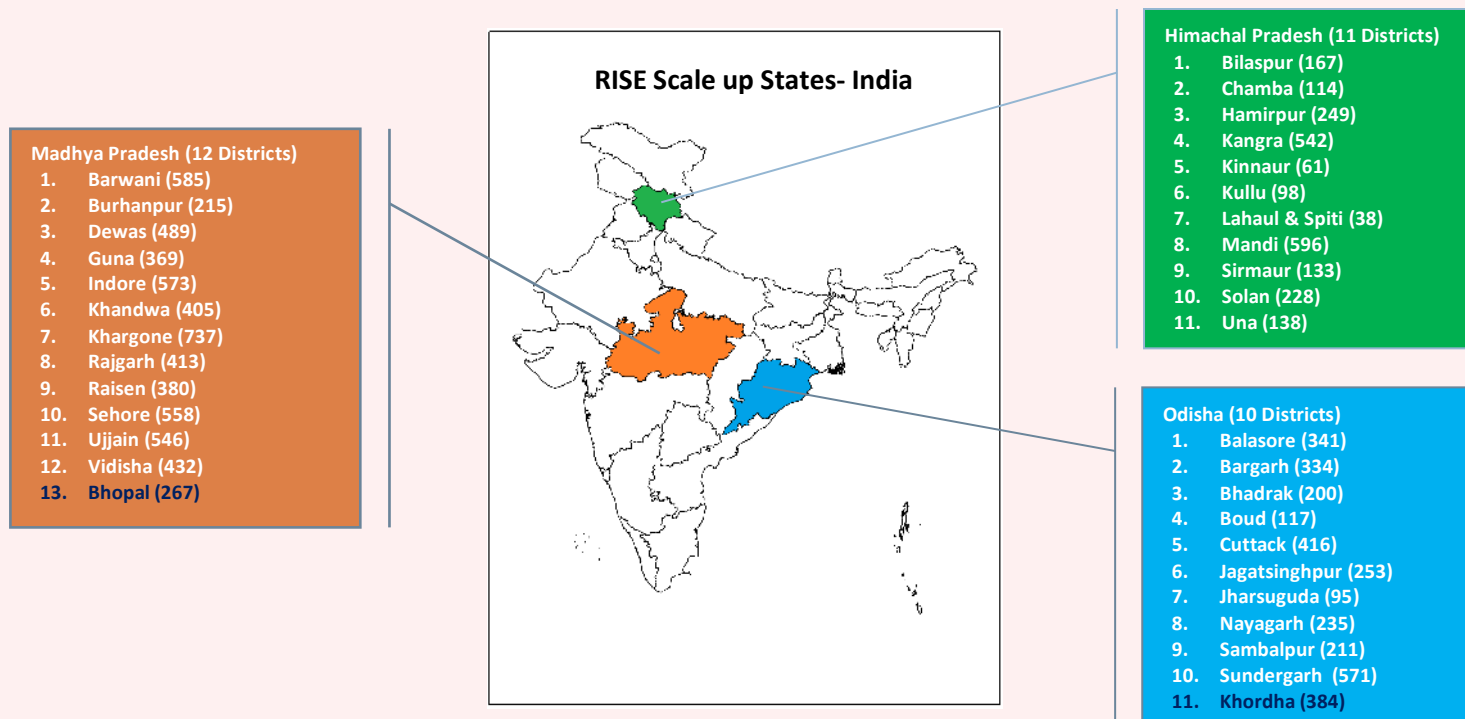

What is RISE?

An innovative, customized capacity building methodology complementing the standard classroom routine immunization training. Its aptitudes include

- Leveraging technology dissemination amongst healthcare workers
- Updated curriculum, addressing rapidly changing UIP guidelines
- Supportive supervision through real time monitoring
- Flexible to the needs of learners
- Interactive digital self-learning

Target learners in RISE Scale up (Phase 1), 2021-2022

Schedule for Modules Go Live

Districts where all Five Modules are Live

Sl. No	States/Districts		
	Himachal Pradesh	Odisha	Madhya Pradesh
1 .	Lahul & Spiti (2)	Bargarh (12)	Vidisha (7)
2 .	Kinnaur (3)	Boud (3)	Raisen (7)
3 .	Mandi (11)	Jharsuguda (5)	Rajgarh (6)
4 .	Solan (5)	Sundargarh (17)	Burhanpur (2)
5 .	Bilaspur (4)	Jagatsinghpur (8)	Khandwa (7)
6 .	Una (5)	Sambalpur (9)	Guna (5)
7 .	Hamirpur (6)	Bhadrak (7)	Dewas (6)
8 .		Nayagarh (8)	Barwani (7)
9 .		Balasore (13)	Sehore (5)
10 .		Cuttack (14)	Indore (4)
11 .		Khordha (10) (Refresher Training)	Ujjain (6)
12 .			Bhopal (2) (Refresher Training)

Number of blocks in each district are presented in brackets

A total of 28 (198 Blocks) RISE Scale-up districts and 02 Pilot district (12 Blocks) have all five Modules Go-Live

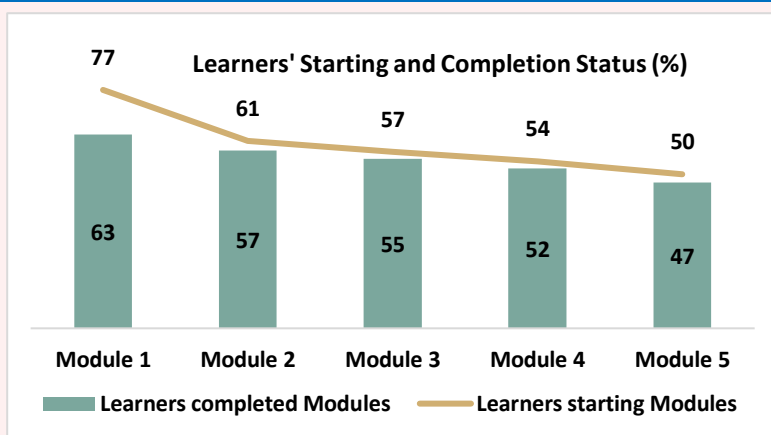

Districts still in the Process of All Modules Going Live

Sl. No	State/Districts	Module 1	Module 2	Module 3	Module 4	Module 5
	Himachal Pradesh					
8	Chamba (7)	05 May 2022	19 May 2022	02 June 2022	16 June 2022	30 June 2022
9	Sirmaur (5)	12 May 2022	26 May 2022	09 June 2022	23 June 2022	
10	Kangra (13)	16 June 2022	30 June 2022			
	Madhya Pradesh					
12	Khargone (9)	17 May 2022	31 May 2022	14 June 2022	28 June 2022	

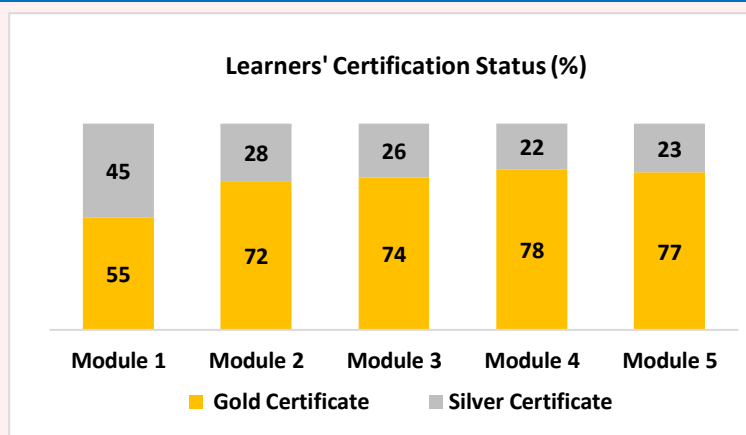

Number of blocks in each district are presented in brackets

A total of 4 (34 Blocks) RISE Scale-up districts still in the process of all Modules Going Live

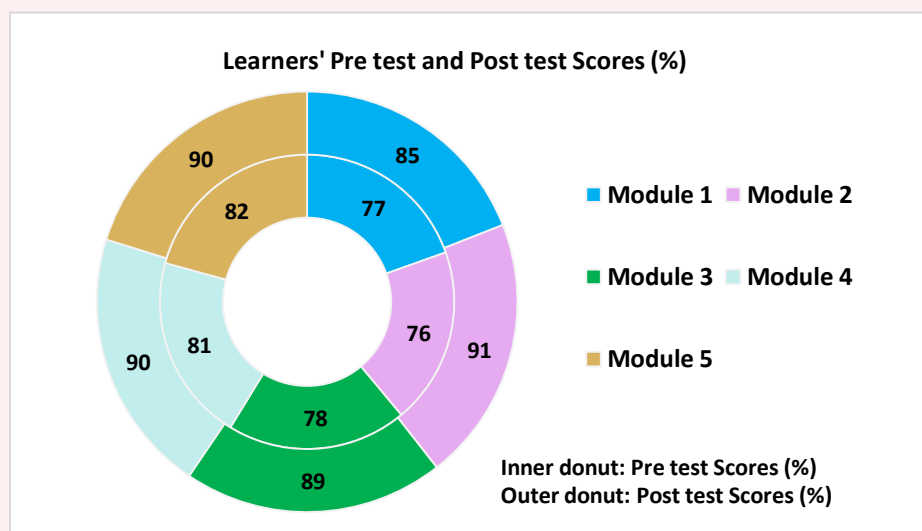

Concurrent Monitoring of RISE Scale up

About 11,000+ learners in 32 districts have been accessing the course

Highest percentage of Gold certificate is in Module 4, followed by Module 5

- On an average 10 points increase in knowledge levels is observed among the learners
- Highest knowledge gain (14 points) is observed in Module 2, followed by Module 3 (11 points)

Testimonies from the learners

“बहुत ही उपयोगी जानकारीयां मिल रही हैं सीखने के लिए बहुत कुछ है कुछ छोटी छोटी बातें कई बार दिमाग से निकल जाती हैं तो उस के लिए बहुत मददगार है”

(“Very useful information is being received, there is a lot to learn, some small things sometimes go out of the mind, so it is very helpful for that”)

Ms. Suman, FHW,
District Una (Himachal Pradesh)

“Sir 5 modules ki RISE training ASHA warkers ki bhi honi chahiye kyuki jo nahi aata hai ham jate he but kuch ASHA ke vichar alag hota he, -isse unko bhut acchi peranna milegi jaisi ham ko mili he”

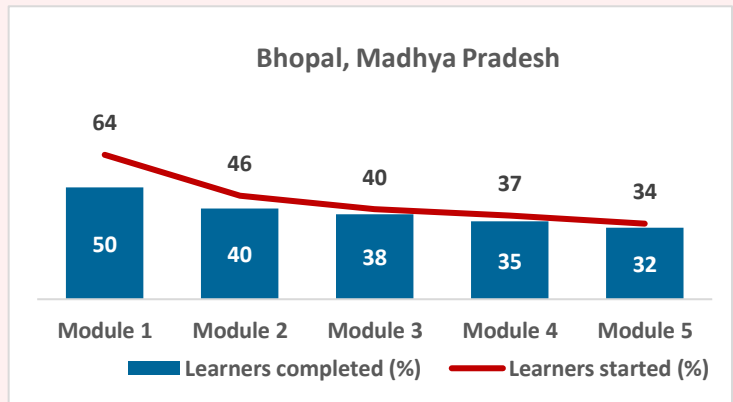

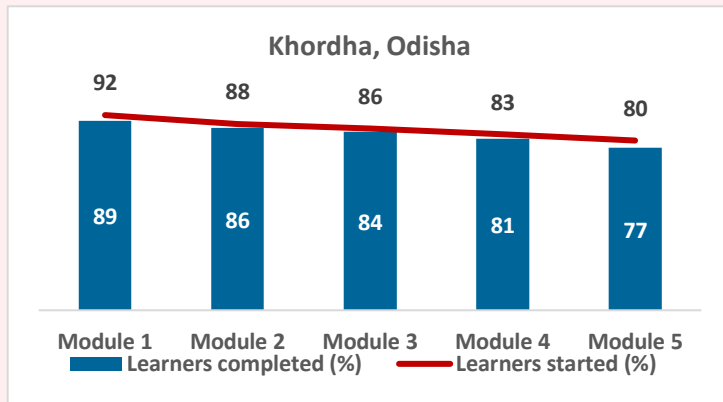

(Sir, ASHAs should also receive the five modules RISE Training because sometimes we go to them to clarify their doubts but few of them have different views...the App will motivate them like us”)

Ms. Najiya Khan, ANM,
District Bhopal (Madhya Pradesh)

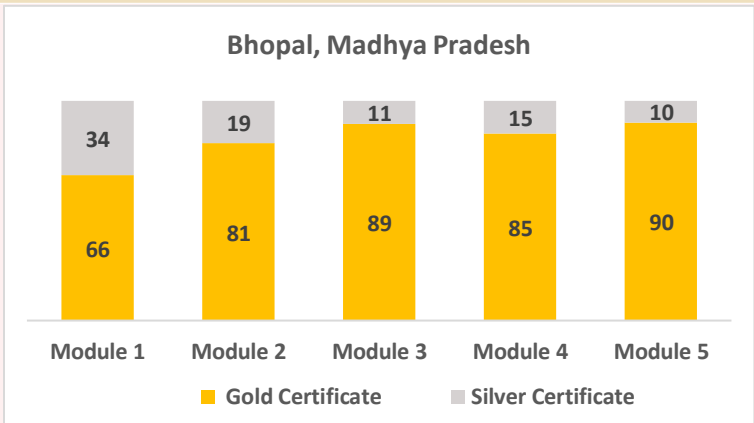

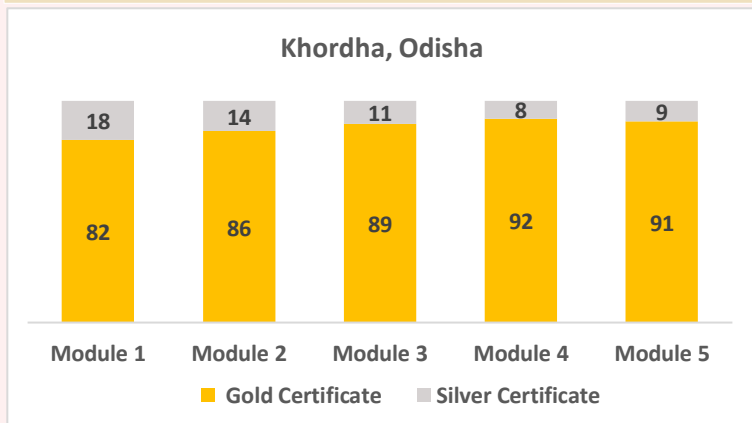

RISE Refresher Training- A Glimpse

Bhopal from Madhya Pradesh and Khordha from Odisha are the two districts out of five, where RISE pilot project was implemented in the **year 2020**. During the pilot phase, the completion rate in Bhopal was 100% and 96% in Khordha. The learners from these two districts are doing refresher with the modified version (V 2.0) of the application in the **year 2022**. Some of the results from the refresher training are as follows:

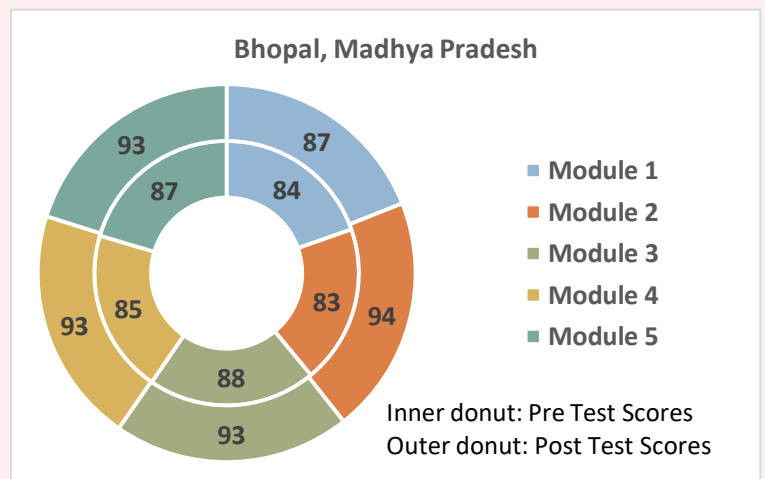

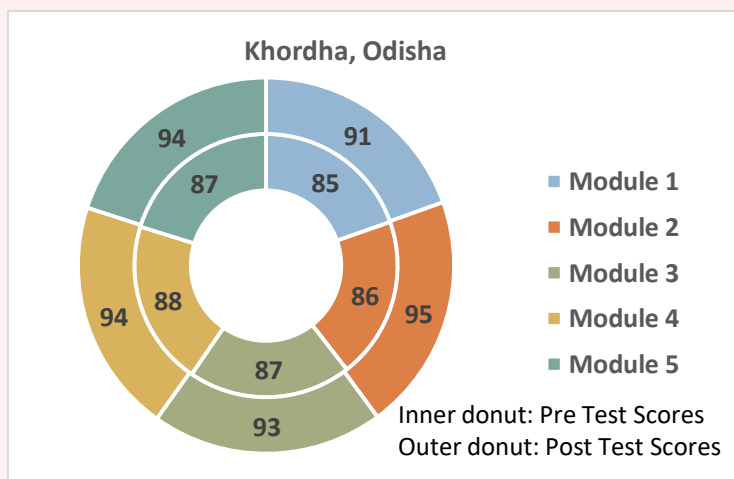

Learners' Start and Completion Status (%)

Learners' Certification Status (%)

Learners' Pre and Post Test Scores Status (%)

Module 1 went live on 16th March and Module 5 went live on 11th May 2022 in Khordha, Odisha (384 Learners)

Module 1 went live on 21st May and Module 5 went live on 18th May 2022 in Bhopal, Madhya Pradesh (267 Learners)

RISE Course Completion

Congratulations!!

100 % Completion of all 5 Modules

**Tangi Choudwar, Cuttack District,
Odisha**

Completion of Module 3

**Baliapal Block, Baleswar District &
Kutra Block, Sundargarh District, Odisha**

Completion of Module 2

**Bisra Block, Sundargarh District &
Harbhanga Block, Boudh District
Odisha**

We Appreciate the Leadership!!!

Stories from the field

Dr. Vivek Dubey
Block Medical Officer (BMO)
Jeerapur Block, Rajgarh, Madhya Pradesh

I came to know about RISE program during district level ToT, been organized at training center Rajgarh and then I realized that the RISE application is very good tool for improving the knowledge of field functionaries about the immunization program.

As a first step, I have ensured the registration of all health workers in the app and provided orientation on application to them at block level. I have also called some of the workers who were facing the challenges and problems in navigating the RISE application as and when required and tried to solve their problems with the support of block, district & JSI team. I have monitored the block progress by using supervisor dashboard and regularly persuaded the learner wise progress & completion rate, so that we became the first block who achieved the 100% completion rate of all 5 modules among all 12 RISE districts in the state.

I can say that *all immunization related information is well explained in 5 RISE modules through videos and in easy words specially about AEFI.*

I hope now the improved knowledge of health workers will definitely increase the quality of immunization program in Jeerapur block.

***Disclaimer: "Published as received from the concerned person (learner/supervisor)"*

App orientation sessions at district and block levels in RISE Scale-up States

RISE Pilot Project: A Glimpse

RISE was implemented during March- August 2020 as a pilot project in five states of India (Himachal Pradesh, Madhya Pradesh, Maharashtra, Odisha, and Tamil Nadu) for capacity building of 2600+ health workers. It was rolled out to address the growing needs of the large number of healthcare workers due to rapid development in India's immunization program.

It was very well accepted by the learners. 100 % course completion was achieved in Madhya Pradesh and Himachal Pradesh, while it was 96% in Odisha and 74% and 68% in Tamil Nadu and Maharashtra respectively.

The pilot phase generated evidence of positive outcomes in establishing the effectiveness of this training model. A definite increase (14%) in knowledge levels of the learners who completed the course, was observed during endline assessment as compared to baseline values. More than 65% of the learners achieved gold certificate (score more than 85 out of 100) while 34% received silver certificate (score between 70-85 out of 100). The improved knowledge also got translated in improving the practices of health workers during the immunization sessions, as observed during the practice assessment.
